

# Our New After-school Singing Program: Crickets, Canaries and Songbirds (TK-5th)

- ✓ **Learn fun songs and games throughout the semester, that are age-appropriate.**
- ✓ **Learn to sing with a healthy technique from teachers with expertise in pediatric vocal science.**
- ✓ **Learn beginning sight reading and preparatory levels of theory for standardized singing programs such as RCM and ABRSM.**
- ✓ **Supporting materials that help students learn their songs at home, including careful warm-ups for weekly practice, and reinforcement of required music theory.**
- ✓ **Prepare a small, informal performance for the last class of the program (parents may attend).**

**\$240 for 12 sessions**  
**First session starts the week of**  
**January 14 and final session is the**  
**first week of May.**
